Reconnect To Divine Energy

Discover Physical, Emotional and Spiritual Transformation

Rob Wergin

Course 5702-813 / Tuition \$395 (\$355 Members)

Each of us retains the energy of our lineage, past lives, and life experiences. Unless those experiences emerged from love, they often cause energetic stagnation in the mind and body. These blockages lead to disease, dysfunction, distress, disconnection, or despair in our lives. When we reconnect to divine energy, our mind and body are filled with pure love and light—balance is restored, blockages and stagnation are released, old wounds are healed, and many aspects of life are transformed.

During this weekend with Rob Wergin, we experience multiple hands-on healing experiences and divine light transmissions to clear old patterns, experiences, and beliefs. This process releases physical, mental, and emotional discomfort, as well as pain, and once again we connect with our true expression.

Additionally, through lectures, discussions, and shared explorations, we restore and maintain a joyful healing connection with the divine which allows us to continue our journey of reconnection and wellness. We return home with a renewed connection to divine energy and a healthy, vibrant body, mind, and spirit.
